Seal Krete Performance Epoxy

100% SOLIDS SELF LEVELING EPOXY COATING SYSTEM

SEAL-KRETE® PERFORMANCE Epoxy is an epoxy-based coating system that provides outstanding customer value. PERFORMANCE Epoxy blends durability with outstanding adhesion properties, allowing it to be used on a variety of substrates including concrete, tile, and laminates. Its great value, slower dry time, and low odor formulation makes PERFORMANCE Epoxy ideal for larger indoor application areas.

From the makers of Easy Edge™

Premium 8 Seg Transitional Ceramic

Designed to run on medium and large planetary and rotary machines. They can also be used on small machines (add weights if necessary). Made with Blue Star Diamond Technology™, the Premium 8 Segment transitional diamond is our latest product development and was designed to transition from a metal bond diamond grinding process to the resin polishing process.

Works well on hard, medium, and soft concrete and also other surfaces such as terrazzo.

- Reduces steps
- Mounts with velcro or boss/velcro
- Available in 30-400 grit
- Can be used wet or dry.
- Long life (12,000-20,000 sq. ft.)

\$82⁵⁰ Each

The BSD

Made with Blue Star Diamond Technology™, the BSD is designed as a ceramic diamond grinding process to follow the metal bond process. The result of this diamond is a superior floor with reduced steps. Available in fine grits through 1500, with the LUSTER Pad as a finishing step.

- Reduces metal bond diamond steps
- Consistent scratch • Excellent Finish
- Long life (9,000-15,000 sq. feet)
- Used wet or dry (preferred dry)

\$35⁰⁰ Each

BSD Dry Resin

The BSD Dry Resin line is the latest technology in the Blue Star Diamond family. Designed to follow the BSD Ceramics, the BSD Dry Resins allow contractors to complete their concrete and terrazzo polishing process with the same quality, long life and dependability for which BORIDE products have become known.

- Reduces metal bond diamond steps
- Consistent scratch • Excellent Finish
- Long life (9,000-15,000 sq. feet)
- Used wet or dry (preferred dry)
